

Newport Mercury

VOLUME CXXV—No. 3.

NEWPORT, R. I., JULY 1, 1882.

WHOLE NUMBER 6,473.

THE Newport Mercury,

—PUBLISHED BY—
JOHN P. SANBORN,
188 Thames, Cor. Pelham St.,
NEWPORT, R. I.

THE NEWPORT MERCURY was established in June, 1758, and is now in its oldest hundred and twenty-fourth year. It is the oldest newspaper in the Union, and with less than half a dozen exceptions, the oldest printed in the English language. It is a large quarto weekly of fifty-six columns filled with interesting reading—editorial, state, local and general news, well-selected miscellany and valuable farmers' and household department. Reaching so many households in this and other States, the limited space given to advertising is very valuable to business men. Terms: \$2.00 a year in advance; single copies in wrappers, 5 cents. Specimen copies sent free, and special terms given advertisers by throwing the publisher.

INDEX To New Advertisements.

Local Matters.

THE ELECTRIC LIGHT.

Its First Appearance Monday or Tuesday.

The Weston Electric Lighting Company are hastening their arrangements for lighting a part of our city by electric light. The lights may be ready for experimental use on Monday evening, and will surely be in readiness for a formal illumination Tuesday evening, in accordance with contract. Of the 36 lights contracted for, only 18 will be lighted. None below the Ocean House will be used, owing to the "electric war" raging in that part of the city. The company will not for the present do any lighting on the lower part of the Avenue, and it is rumored that they have abandoned that section of the city to the protesters.

The light on the lower tower will not be put up at present. The other lights will be in use, and there are no objections from the authorities, that from G. M. Tucker having been withdrawn. The lights will be those on Ignatius Park, the Parade, Tuoro Park and Bellevue-ave as far as the Ocean House. The poles are all up, and the wires stretched. The lamps were being cut into the circuit yesterday, and will be put up on Monday. The work at Swinburn's mill is progressing satisfactorily. The oil holder will be used for the new 70-horse power engine put in. Three dynamo electric engines have been put in, each of 10 horse-power. As each light requires for its maintenance a little less than one horse-power the engines on hand will be ample for present needs. Mr. E. S. Swinburn, of Boston, an electrician of the company, will remain in Newport a month, to insure the success of the light.

Fourth of July.

The arrangements for Fourth of July celebration are now about completed, and the prospects are that there will be an interesting observance of the day. The procession will be formed at 10 o'clock sharp, and will consist of the Newport Artillery Co., the Western Rifles, the Light Battery and two foot batteries from the fort, two companies of marines and a battalion of boys from the training fleet.

The oration will be delivered by the Rev. A. Canoll on Tuoro Park, and the Declaration of Independence will be read by P. J. Galvin, Esq. Rev. Mr. Hewitt, of Zion Church, will act as chaplain of the day. In the afternoon there will be an exhibition of Boyton's Life Saving Suit at City Wharf at 1.30, and after that will be a series of Caledonian games, under the direction of John Brown, in Freebody Park.

In the evening the bands will discourse excellent music from Tuoro Park and the Mall. Two bands will be stationed at the Park and one on the Mall. The Electric Light will send forth its illuminating rays that night for the first time, and there is no doubt but that the day will be appropriately observed.

General A. L. Burdick will act as Chief Marshal, with Henry T. Eaton, Thomas W. Freeborn, and Andrew McMahon as aids.

The Channing Memorial Church.

On Thursday evening a very pleasant reception of farewell to Rev. M. K. Schermerhorn, and of welcome to Rev. C. W. Wendte, was held in the parlors of Channing Memorial Church. There was a very large attendance of the members of the church and congregation. Short addresses were made by Mr. Schermerhorn and Mr. Wendte, refreshments were served, and a very enjoyable evening was passed. Mr. Wendte was accompanied by his mother.

Rev. Mr. Wendte, the new pastor of the church, will begin his duties to-morrow morning, when he will preach his first sermon. Revs. Charles T. Brooks, John C. Kimball and M. K. Schermerhorn, the three former ministers of the parish, will take part in the services.

In the evening will be held the final services of the Sunday School for the summer. A very fine programme of music has been arranged, and the occasion will be most enjoyable.

Street Watering.

Great complaint arises from numerous people in all parts of the city, at the inadequate manner in which the streets are watered. The city bulks macadamized streets, which when used in dry weather soon become little else than pulverized dust, which the slightest breeze sends in perfect clouds in all directions. The street covering is thus soon blown away and the people are sadly inconvenienced by the dust and dirt. It would be a matter of great economy for the city to water every street covered with crushed stone.

The Overseers of the Poor have granted the team ball players of the city permission to use the southeast part of the Freebody Land for the exemplification of the national game, until they shall have other use for it.

ROGERS HIGH SCHOOL.

The Graduating Exercises Next Thursday

The graduating exercises of Rogers High School will be held at the high school building on Thursday next. From nine until eleven will occur the usual exhibition recitations, and shortly before eleven will begin the graduation exercises proper, including essays by the graduating class, awarding of prizes, medals and diplomas. The following are the names of the graduating class with the title of the essay:

Mary M. Banning—Roman Triumph.
Rubecca K. Burroughs—Idleness a Crime.
Ida L. Chase—Moral Discrimination, with the title of the essay.
Katie L. Clarke—Patriot People.
Louise K. Coffey—The Singers of Book Land.
Anna H. Crandall—Why Do We Enjoy Tragedy?
Harriet S. Downing—Queen Philippa.
Elizabeth C. Kierston—Corals.
Helen L. Litchfield—Latin Salutory.
Katherine R. Marks—The Anglo-Saxon Element in Our Language.
John S. McAdam—The Etiquette of Chrysanthemum.
Ella P. Mason—Education Brings Responsibility.
Mary E. Nichols—Napoleon in Moscow.
Frank F. Nolan—Humboldt.
Elizabeth B. Peckham—The Gabbian Law and its Results.
Harriet A. Rice—"To him that hath shall be given."
Elizabeth N. Stedman—Cyclops.
Lillian A. Stevens—Cicero's "De Senectute."
Of the graduates of last and this year's class, the following expect to enter college in the fall: C. B. Stevens at Harvard, Hermann Litchfield at Trinity, J. S. McAdam at Princeton, J. E. Nichols, J. H. Ward, O. E. Lawton, and probably Frank F. Nolan at Brown, and Miss Elizabeth B. Peckham and Miss Harriet A. Rice at Wellesley.

THE FIRST M. E. CHURCH.

Exercises at its Opening Next Thursday.

The services on the occasion of the reopening of the First Methodist Episcopal church on Thursday next, promise to be of marked interest. The edifice, which was badly injured by fire last winter, has been thoroughly repaired, and many improvements have been added, so that the building is now a credit to the society and the city. On Thursday next there will be services at three o'clock in the afternoon and also in the evening. At the afternoon service the sermon will be preached by Bishop R. G. Andrews, D. D., of Washington, and the devotional exercises will be shared by former pastors of the church. At the evening service addresses will be given by former pastors, all of those surviving having been invited to be present. Among those who have already signified their intention to be present are Rev. A. Canoll, who has occupied the pulpit for the last two years; Rev. Dr. Morrison; Rev. M. J. Talbot, D. D., present preaching elder of the Providence District, and the Rev. James Porter, D. D., of New York, who was stationed here in 1829-35 years ago.

At all services there will be a special programme of music, and the day will be an important one for the First church, which is now under the pastorate of the Rev. D. A. Whedon, D. D.

AQUIDNECK PARK

In the Eastern Trotting Circuit.

Aquidneck Park is this year included in the Eastern Trotting Circuit, and three days' races will take place there on Tuesday, Wednesday and Thursday, August 1, 2 and 3. The entries close at 11 p. m., Monday evening, July 3, and must be addressed to Henry Bull, Jr., treasurer, this city. The horses that take part, will be mainly those that appear in similar races at Beacon Park, Boston; Myrtle Park, Medford, Mass., and Narragansett Park, Providence. The circuit guarantees sufficient entries to pay a large proportion of the purses, and as good races as can be seen in New England are assured. There will be two trotting events on each of the three days at Aquidneck Park, and the programme will be improved by the addition of one or more running races each day. The trotting will be in mile heats, best 3 in 5, and will be governed by the National rules. The purses for each race will be \$400, and the following will be the trotting events: First day—2:30 and 2:35 classes; second day—2:32 and 2:33 classes; third day—2:33 and 2:31 classes. The purses amount to \$2400. There races will be the event of the season at Aquidneck Park.

Polo at the Skating Rink.

The exciting game of polo on roller skates will be inaugurated at the Skating Rink this evening. The contestants for honors will be divided as follows:

Blues—L. C. Carr, captain, Edward R. Finn, J. B. LaFarge, N. H. Thorp, Edward S. Sherman.
Reds—Benj. Weaver, captain, C. C. Pierce, L. R. Dresser, H. H. Thorp, Wilcox S. Sherman.

On the evening of the Fourth of July—Tuesday—there will be a grand illumination at the rink, with a magnificent display of fireworks from eight to nine o'clock.

Correspondence has been opened with several polo clubs in different cities, with a view to arrange a tournament in the month of August. Among the clubs that will be invited are those in Washington, Baltimore, Boston, Albany, Providence, Worcester and Portland.

For the Fourth.

A. W. Luther at the St. Nicholas store offers a fine display of all sorts and descriptions of fireworks, manufactured by the Unexcelled and Excelsior companies.

John Brecher has at his residence on Bath road the only two Rock goats in America. They are extremely rare, and are found only on the highest mountain peaks of Switzerland and Tyrol. They will be in exhibition on Monday and Tuesday in the store south of Bellevue Avenue Hotel.

The fifth annual meeting of the Rhode Island Dental Society will take place next Tuesday, July 4, at the dental rooms of Dr. Samuel E. Greene, this city. An essay on "Artificial Crown" will be read by Dr. J. W. Smith, of this city.

Benjamin Easton, Jr., will assume his office of Sheriff of Newport county on Wednesday next.

MR. COLT'S YACHT WIZARD.

Description of the Remodeled Craft.

Prior to leaving this country for a winter's tour in Europe Mr. Caldwell H. Colt, last autumn, one of our regular summer visitors, then owner of the sloop yacht Lizzie, purchased of Mr. Gouverneur Knott, architect of our summer visitors, his fine sloop yacht Wizard, built for him in 1880 by Mr. E. Young, a celebrated yacht builder at Greenpoint, L. I. Her dimensions at that time were as follows: length over all 46 feet, 8 inches; at water line 41 feet 10 inches; breadth of beam 17 feet 2 inches; depth of keel 6 feet 6 inches; draught of water 5 feet, with a tonnage of 24.89 tons; M. 20.30 tons. During the absence of Mr. Colt, and under the supervision of Capt. Charles H. Chaswell, she was taken to Fall River and cut in two and lengthened by Mr. Terry, and was afterwards brought to Newport where her internal arrangements have been made by Thomas D. Stoddard, Esq., who employs some well skilled workmen. Her cabin, which is beautifully and conveniently arranged, is finished in mahogany, and is equipped with black walnut, with several points of glass-plow mirrors. The upholstery is by William F. Springer, and the plumbing by Robert L. Oman. Mr. Colt, who has recently returned from his European trip, has made a trip in his much improved yacht, which worked admirably, "going about like a top," and says he is "more than pleased with her." She will retain the name Wizard. Her length is now 63 feet 8 inches; breadth 18 feet 6 inches; depth 7 feet; draught 6 feet 6 inches; height of mast, from deck to track 100 feet; length of boom 56 feet; of gaff 30 feet; of spinnaker boom 62 feet.

Since his return home Mr. Colt has purchased the celebrated schooner yacht Dauntless (originally the L'Hirondelle), and she is to be thoroughly overhauled and put in tip-top sailing condition for a trip across the Atlantic and in the Mediterranean. He will cruise during this summer in the Wizard, commanded by our young townsmen Capt. C. Henry Caswell, who will also command the Dauntless, on her European voyage. The Lizzie, last mentioned, is to leave for New York in a day or two where she will be sold.

RECORD OF DEATHS.

Capt. James M. Jaques. Capt. James M. Jaques, who has been sick for some time past, died at the residence of his brother-in-law, Gen. Arnold L. Burdick, on Thursday morning. He was a respected citizen of Newport, but had earned special distinction by his services in the Italian campaign, as commander of the Newport Light Infantry. He enlisted as a private in Co. B, of 1st Rhode Island Detached Militia, May 2, 1861. February 3, 1862, he was appointed a sergeant in Co. K, of the Third Rhode Island, and was transferred to Co. B, of the same regiment, on September 12, 1861. He was mustered out of service August 21, 1865. His long service was extremely honorable, and he shared in many of the hard-fought battles of the war. At one time he was in charge of the famous "Swamp Angel" gun at the siege of Charleston. He was a member of Prescott Post, G. A. R., of Providence.

Soon after he removed his residence from Providence to Newport, he joined the Newport Light Infantry—April 18, 1873. September 8 of that year he was elected corporal, and at the next yearly meeting, April 20, 1874, he was unanimously elected captain under Colonel Hogan. The next year, when the new law went into effect reducing all companies having regimental officers to one captain and two lieutenants, he was unanimously re-elected captain and placed in command of the company. May 1, 1877, he was re-elected for two years, and June 9, 1879, and June 9, 1882, for terms of three years, each time with complete unanimity. The Light Infantry never had a commanding officer more thoroughly devoted to their interests, or more popular with the men. Gen. C. D. Dennis, quartermaster general of the State militia, speaks these words of high commendation of Capt. Jaques: "No more honest, conscientious and dutiful officer ever held commission in our militia, and no one more devoted to his command." The resolutions adopted by the company and printed in another column express the deep feelings of the company.

The funeral will be solemnized from General Burdick's residence to-morrow (Sunday) afternoon at 2 o'clock, and will be attended by the Light Infantry, Charles E. Lawton Post No. 5, G. A. R., the Newport Artillery Veteran Association, Col. Martin and officers of the 2nd Battalion, R. I. Militia, and delegations from Providence, Pawtucket, Warren and Bristol. The Newport Artillery has also been invited to attend.

THE LICENSE QUESTION.

The Aldermen refuse to grant any license whatever for the year.

There was a brief, although very important, meeting of the Board of Aldermen yesterday morning. It was what is known as a "clearing day," and the third house was well represented. The ball was opened by the Mayor, stating that the consideration of applications for liquor licenses was in order. Aldermen Knoll offered the following resolution:

Resolved, That no liquor licenses whatever be granted by this board during the year from July 1, 1882, to June 30, 1883, inclusive.

The resolution was seconded by Aldermen DeBlois. Aldermen Langley suggested before the question was put that the resolution meant "free room," and demanded the yeas and nays. They were called and the result of the motion for the passage of the resolution was as follows: yeas, Aldermen Knoll, DeBlois, and Cottrell; nays, Langley and Grosby.

During the minute occupied in the granting of a few fireworks licenses, a little discussion took place between Aldermen Langley and Cottrell. The former held that the passage of the resolution meant free room. Mr. Cottrell couldn't see it. Mr. Langley said there would be no prohibition, to which Mr. Cottrell replied by asking the question, "Why then do any apply for licenses?" Mr. Langley said that any good result of the application was that the authorities had a hold on the applicants. The subject then dropped and the Aldermen adjourned.

THE CHANNING CHURCH.

Close of Rev. M. K. Schermerhorn's Pastorate.

On Sunday morning last the Rev. M. K. Schermerhorn preached his final sermon at the Channing Memorial church. The sermon was based on 1 Cor. xv: 58, and expounded the theme of loyalty to religion. The musical part of the service was particularly fine, especially good being solo by Miss Dulce and Mr. T. M. Soabry, 24.

After the sermon, the final report of the Channing Memorial Church Building committee was presented to the corporation of the church, and accepted. The treasurer, Wm. B. Sherman, made a detailed report of the expenditures for the new church. The new edifice is entirely paid for and a balance of \$50 remained. The secretary, the Rev. M. K. Schermerhorn, reported that all the proceedings of the committee, with a full history of the project and a list of subscribers, were fully written in a book known as "The History and Records of the Channing Memorial Church," which is to be preserved in the archives of the society. Mr. Schermerhorn also called attention to the proposed "Perpetual Repair Fund" of \$10,000 for the care of the church, and stated that it was understood that two or three legacies had been made for this purpose in the wills of generous members of the church. After these reports had been received, the Building committee was discharged with the thanks of the society for their prolonged and efficient services. The following preamble and resolutions, offered by the Hon. Thomas Coggeshall, were unanimously adopted:

Whereas, Rev. M. K. Schermerhorn, who for four years has been our faithful and efficient pastor, has this day by his own choice and of his duty concluded his ministerial services in connection with our parish, and has formally committed his work to the hands of his successor, Rev. C. W. Wendte, therefore, as a parting tribute of esteem and gratitude, we

Resolved, That we heartily commend and shall ever remember his unswerving loyalty to truth, to duty and to the highest interests of our church.

Resolved, That in his earnest leadership we were in a large measure the remarkable prosperity with which our society has been encouraged and blessed during the four years of his pastorate.

Resolved, That wherever he may go our prayers and affectionate interest will attend him.

Resolved, That as a slight testimonial of our appreciation and gratitude, the perpetual use of pew No. 1, in the center aisle of the Channing Memorial Church, be and hereby shall be assigned to him, with the understanding that whenever, in the years to come, he may find it convenient to be in Newport, either as a temporary or a permanent resident, he may occupy this as a family pew free from taxation or rent.

Resolved, That the trustees of this church shall determine the pew to be used by Rev. M. K. Schermerhorn.

Two Notable Weddings.

The marriage of Paymaster I. Goodwin Hobbs, U. S. N., of the Torpedo Station, to Miss Helen Maud, daughter of the late Capt. Lewis L. Hazard, was solemnized at Trinity church, at half past twelve on Wednesday. There was a large attendance of Newport people with many summer residents, naval and army officers. The church was decorated with an arch of flowers extending over the aisle. The ceremony was performed by the Rev. Geo. J. Magill. The bride was given away by her uncle, Dr. Hensbury Smith, and the bridegroom's best man was Lieut. Frank E. Hollis, 34 U. S. Artillery. The ushers were Lieut. N. J. K. Patch, U. S. N., Ensign John T. Newton, U. S. N., Mr. Melville Bull and Mr. Thomas G. Brown. The bride was dressed in white satin, en train, with long veil and corsage of orange blossoms and lilies of the valley. A very fine programme of music was given by Mr. J. W. Andrews, the organist of Trinity. After the ceremony there was a reception at the residence of the bride's mother at the One Mile Corner. The presents were many and beautiful.

A second notable wedding occurred on Thursday afternoon at the residence of Mrs. Henry Ledyard. This was the marriage of Miss Maud Spencer Ledyard, Mrs. Ledyard's daughter, and a granddaughter of the late Gen. Lewis Carr, to Mr. Frederick Rhineland Newbold, of New York. The ceremony was performed by the Rev. Thatcher Thayer, D. D., and was attended by a distinguished assemblage of cotesters. The bridesmaids were Miss Goldard, of Providence, and Miss Newbold, sister of the bridegroom, whose best man was Mr. James H. Jones, of New York. The bride was dressed in white silk en train, with lace veil, and wore as ornaments beautiful diamonds.

The Annual Dinner at the Asylum.

Wednesday afternoon the annual dinner and inspection of the Newport Asylum took place. Mr. Chairman Newton and the full board of commissioners were present and did the honors of the occasion in a beautiful style. Among the invited guests present were His Excellency Gov. Fessenden, His Honor Lieut. Governor Frank, Col. Littlefield and Secretary of the Governor's staff, Postmaster Coggeshall, Collector Cozzens, the members of the city government and others.

At two o'clock the party sat down to an excellent dinner provided by the commissioner. At the request of the chairman of the board Mayor Franklin presided, and after the dinner, called upon Governor Littlefield, Postmaster Coggeshall, Col. W. A. Steadman, and Senator South who each made brief and pleasant speeches. After which the company proceeded through the building and over the grounds of the asylum to find everything in the best of order, showing the careful management of the keeper and matron as well as the constant attention on the part of the commissioners. The Governor and the other guests from abroad expressed themselves highly pleased with the appearance of things, and concluded that Newport's poor were well cared for.

There was an uncomfortable proximity to a serious accident at the Torpedo Station the other day. A picnic party sat down near the nitro glycerine house, and built a fire. Fortunately it did not get at any of the dangerous explosive.

Municipal Celebration

—OF—

AMERICAN INDEPENDENCE,

IN NEWPORT, R. I.,

TUESDAY, July 4th, 1882.

ORDER OF EXERCISES:

PROCESSION.

The procession will form at 10 o'clock A. M., on Washington square in the following order:

Carriage containing Committee of Arrangements, Aldermen Knoll and Grosby, accompanied by City Clerk, Wm. G. Stevens, Esq.

Carriage containing Committee of Arrangements, Chancellors Wilbur and Waters, accompanied by City Sergeant Wm. H. Westcott, Esq.

Route of March.

Move up Broadway to Marlborough street, down Marlborough to Farewell street, up Farewell to Poplar, down Poplar to Washington street, down Washington to Bridge street, up Bridge to Thames, down Thames to Dearborn street, up Dearborn to Spring street, up Spring to Bowery street, up Bowery to Bellevue avenue, through Bellevue avenue to Kay street, through Kay to Ayrault street, down Ayrault to Broad street, down Broad to Spring street, down Spring to Mill street, up Mill to Tuoro Park, where the following order of exercises will take place:

Musical by Newport Band.

Prayer by the Chaplain, Rev. Mr. Newell, rector of Zion Episcopal Church.

Music by New Hampshire Band, Prof. McKow, leader.

Reading of Declaration of Independence by P. J. Galvin, Esq.

Oration by Rev. A. Canoll, of Hingham, Mass.

Music by New Hampshire Band.

Benediction.

After the exercises at the Park are over, the procession will again form and march direct through Bellevue avenue to Tuoro street, down Tuoro to Washington square, where the procession will be dismissed.

Afternoon.

Exhibition of Boyton Life-Saving Suit at City Wharf at 1:30 P. M.

The following athletic games will take place on Freebody Park, rear of Ocean House:

Commencing at 3 o'clock.

1. Boys Race, under 15 years, first prize \$2, second, \$1.

2. 300 yards Race for Men, first prize, \$5, second, \$2.

3. Hop, Step and Jump, first prize, \$4, second, \$2.

4. Running High Jump, first prize, \$4, second, \$2.

5. Half Mile Race, first prize, \$6, second, \$3.

6. Walking Match, one mile, first prize, \$6, second, \$3.

7. Putting the Stone, first prize, \$6, second, \$3.

8. Sack Race, first prize, \$3, second, \$1.

9. One Mile Race, first prize, \$10, second, \$5.

No professionals allowed to compete. Amateurs can have these prizes otherwise than in money. Entries must be made on the grounds one game ahead of the one they wish to compete in. The committee's judgment to be final.

JOHN BROWN, Judge.

Evening.

In the evening there will be music by two bands on Tuoro Park, and on Washington square by one band.

The electric light will be lighted for the first time, and the city illuminated by its brilliant display.

All invited guests of the city will please report to the Chief Marshal, headquarters at the State House at 9:30 o'clock A. M.

The committee earnestly request the patriotic citizens to decorate their places of business and residences, more especially on the line of march, and thereby show their appreciation of the efforts of the fathers of 1776, to hand down to their successors the liberty and independence we now enjoy.

The Light Battery will fire a national salute at noon at Tuoro Park.

Balloons will be fired at sunrise, noon and sunset from Fort Adams, U. S. Torpedo Station, and by the ships of war that may be in our harbor.

The bells of the city will be rung at sunrise, during the moving of the procession, at noon, and at 9 o'clock, P. M.

The following gentlemen having accepted the position of Assistant Marshal, will be respected and obeyed accordingly:

At the request of the Chief Marshal, Adj. Henry T. Eaton has been detailed from the Artillery Co. and Andrew McMahon from Charles E. Lawton Post G. A. R. to act as aids with Thomas W. Freeborn.

ARNOLD L. BURDICK, Chief Marshal Municipal Celebration.

Excursion to Saratoga.

Arrangements have just been completed for a special excursion trip to Saratoga to attend the meeting of the American Institute of Instruction to be held there, July 11 to 14, inclusive.

A special car will be attached to the train leaving Providence at 7:20 A. M., Monday, July 10, via the Providence and Worcester railroad, and will arrive at Worcester at 9:20 A. M. The Boston, Barre and Gardner railroad will run this car, as a special train, to Gardner, making close connection with the Saratoga Express, on the Fitchburg railroad, through the Hoosac Tunnel.

This train will arrive at Saratoga via the new route of the Boston, Hoosac Tunnel and Western Railroad, at about 3:20 P. M., one hour ahead of all other trains. Fare for the round trip \$10 from Providence. Those wishing to join the excursion should notify Mr. T. B. Stockwell, Commissioner of Education, Providence, that he may arrange for a sufficient number of cars.

Block Island Excursions.

NEWS OF THE WEEK.

From all Parts of the World.

A Notorious Divorce Suit Ended.
It is stated that the Christauey divorce suit was settled at Washington on Monday by the withdrawal of Mrs. Christauey's answer to the original bill filed by the ex-Senator. Her counsel have abandoned the case and the Senator will be given a divorce.

Recent Occurrences.
Eight or ten railroad employees were killed in northern Minnesota, Saturday, by a train, which was being backed at the rate of 40 miles an hour, jumping the track. Eighty millions, among whom were several officers of the army and navy, were arrested in St. Petersburg the other day. Seneca V. Holloway, late cashier of the Poughkeepsie, N. Y., national bank, has been sentenced to the penitentiary for six years, for defrauding the bank of \$65,000. An effort will be made to induce Congress to secure the return of the bodies of Capt. DeLong and his comrades. The estimated expense of this undertaking are \$25,000.

The Annapolis Academy.
The report of the Board of Visitors to the Naval Academy at Annapolis, presented to Secretary Chandler, states that the Superintendent's house, which was built about 1740, is in a dangerous condition, and that it would not be surprising if the building should fall at any moment. The report also says that the cadets' quarters, in what is known as "Stribling's Row," and a house in the same row occupied by officers are unsafe.

Expedition to Franklin Bay.
The second of the proposed series of annual supply expeditions to the Greeley exploration party, whose headquarters are in Franklin Bay, left New York on Tuesday on the Albatross for St. Johns, where the Neptune will take the cargo to Discovery Bay. The party consists of five selected men and a surgeon under the command of Lieutenant Greeley.

Various Matters.
Butler county, Nebraska, was visited by a tornado, Sunday, which destroyed lives, buildings and crops to a frightful extent. An attempt to arrest a gambler in Baton, New Mexico, resulted in the killing of four men, including the Deputy Sheriff, and the wounding of three others. The gambler was then hung by a mob of citizens, and at last accounts a general raid on the gamblers was threatened. The Duke of Edinburgh had a narrow escape from drowning while fishing on the coast of Spain recently. Frazar river, in British Columbia, has fallen ten feet, and the farmers are beginning to foot up their losses. In fences alone it is thought that \$100,000 have been lost and in the destruction of crops, farm buildings stock and implements, bridges and roads at least \$400,000 more.

A Triple Crime.
Henry Cole, a Cincinnati lawyer, shot and killed his wife and 18-year-old daughter, and then shot himself dead, Wednesday. Cole was a quiet, temperate and industrious attorney, and the cause of the tragedy is unexplained. He has been pension agent, United States Deputy Marshal, and Special Supervisor of the Census of Cincinnati. It is believed financial trouble drove him crazy.

An Alderman's Responsibility.
In the civil suit against Alderman Jones, of Brooklyn, the jury returned a verdict for a quarter of a million dollars, the amount alleged to have been taken by Stewart, his brother-in-law, from the treasury of the Board of Education.

Dr. R. V. Pierce, Buffalo, N. Y.
For many months I was a great sufferer. Physicians could afford me no relief. In my despair I commenced the use of your "Favorite Prescription." It relieved me entirely and permanently. Yours faithfully, Mrs. PAUL BAXTER, Iowa City, Ia.

Mr. Blaine sent \$1,000 to the Grinnell, Ia., sufferers by telegraph.

One Experience from Many.
I have been sick and miserable so long and had such a husband so much trouble and expense, no one seemed to know what I needed, that I was completely discouraged and discouraged. In this frame of mind I got a bottle of Hop Bitters and used them unknown to my family. I soon began to improve and gained so fast that my husband and family thought it strange and unnatural, but when I told them what I had done, they said, "Hurray for Hop Bitters; long may they prosper, for they have made another well and happy."—The Mother.

Three thousand Crow Indians are raiding the Wyoming ranches.

THE SECRET OUT AT LAST.
It has long been a source of wonder, as to why Courtney failed to meet Hamilton in a scuttling contest. The general explanatory argument was that he feared the little Canadian. This opinion, however, is exploded by the authentic announcement, that on the days fixed for the race, Courtney was unable to start his horse on account of the intense itching and soreness caused by the Piles. Having recovered through Swayne's Ointment, he now announces that he will now Hamilton any time this summer.

Mr. Clarence King is suggested as the author of "Guernsey."

TERMINAL SUFFERINGS.
Dr. R. V. Pierce, Buffalo, N. Y.—I have a friend who suffered terribly. I purchased a bottle of your "Favorite Prescription," and, as a result of its use, she is perfectly well. J. H. HALEY, Dundee, N. Y.

Dr. Pierce's "Golden Medical Discovery" and "Pleasant Purgative Pills" purify the blood and cure constipation.

Lieutenant Danenhower will lecture next season.

Why Wear Plasters?
They may relieve, but they can't cure that lame back for the kidneys are the trouble, and you want a remedy to act directly on their secretory organs, and restore their healthy condition. Kidney-Wort has that specific action—and at the same time it regulates the bowels perfectly, and cures yourself. Either liquid or dry for sale at the druggists.—Hingham Republican.

Judge Cox, who conducted the Guileau trial, will pass the summer at Narragansett Pier.

BARNUM'S GREAT SHOW.

Two Successful Exhibits in Newport.

Barnum's "great animal show" closed Newport on Tuesday, and gave exhibitions after-noon and evening in special tents on the Middleboro lot, each attended by at least 7000 people. The grand procession in the morning was the best of the kind ever seen in Newport, and attracted the undivided attention of all. The menagerie, in the afternoon, was a truly great Jumbo, whose size, even for an elephant, is more than elephantine. He was gazed at by all with the greatest admiration, and to see him is alone sufficient remuneration for a visit to Barnum's show. The baby elephant Bridget came in for a liberal amount of attention. There was also a large herd of elephants, large and small, and splendidly trained under the supervision of George Anthrothall, who thoroughly understands his business. Spare for his even the mention of the wonderful array of wild animals, all rare and perfect specimens. Especially noticeable were the gigantic rhinoceros, hippopotamus, a cage of snakes, a cage of monkeys, a tiger, hyena, etc., etc. The afternoon performance was really wonderful for multiplicity of events, all of marked excellence. The trained elephants gave a wonderful exhibition. The tumbling and trapeze performances were exceedingly fine. Madame Elise Duckell gave a magnificent exhibit of horsemanship. Lulu performed a wonderful straight up jump, and later was hurled a hundred feet through the air from a human catapult—an unparalleled feat. Lulu was shot from a cannon, landing safely in the netting. These events took place in three rings simultaneously and presented a variety of things almost unexampled before. The performance of the circus was closed with the hippodrome races that excited unbounded enthusiasm. They comprised flat races by men and women riders, an elephant race, steeple chase, etc. By far the most exciting was the four horse Roman chariot contest. All passed off without accident.

The organization of the circus is perfect. Every part of the vast concern moves like clockwork, and the proprietors are warranted in pronouncing their greatest show on earth.
